Thank you for all who volunteered for St Mary's Golf tournament! A successful fundraiser, and a fun day had by all! We have now purchased Fair Trade Coffee (and some coffee plungers) for our Sunday refreshments. Why? The Fairtrade certification scheme sets out to tackle poverty and empower producers in developing countries. Fairtrade helps producers improve the quality of their lives and take more control over their futures. The mission of Fairtrade is to connect consumers and producers through the FAIRTRADE Mark which signifies fairer trade conditions, thus providing more capacity for disadvantaged producers to combat poverty, strengthen their position and take more control over their future.
