10:00am Family Communion Harvest Service

Sermon: "Thanks be to God" Rev David Smithson

Refreshments: Trish Smithson

The days are getting shorter, the mornings a bit darker...we are nearing the end of summer, which is the time of the Harvest. Traditionally the villagers gather in the harvest, then they head to the village church where they gave thanks to God for His provisions for them. They then have much merry making! We will be following this age old tradition, but our Refreshment time after the service will be our "merry making!" One year I would love to hold a Harvest Festival party! God bless David.

Volunteers needed: We require people to help with scripture readings as well as with ministering at Communion with the chalice – please see the vicar if you wish to help.

Harvest Service: Please bring along non-perishable food products to go to the Foodbank. Potatoes, cabbages, kumara's, carrots, pumpkins etc will also be gratefully accepted
