Hi there! As usual, I have sent this week's Pew Sheet out by a Friday – and the 25th March is Good Friday, a sacred and moving day for Christians as we reflect on the Sacrifice that Christ made for **us** on the cross – a day that affected the whole world even naturally, as the earth shook and a darkness descended upon the land. Join us this Good Friday at 10am for a brief contemplative service on the Stations of the Cross to recall what Jesus went through for us! On Sunday 10am celebrate with us that the darkness is pushed aside by the light of the Resurrection of Christ, in which we say "He is Risen – He is Risen indeed!" Death could not hold Him down! – God bless David
