Refreshments: Valerie Crowther

I frequently cross the Waikato River in Hamilton, and like thousands of others, never give it a second thought. Many years ago the river was a major obstacle to cross – boats, canoes or barges had to be used by our ancestors. We now just simply drive across! How much is this like our access to God. People who lived in the Old Testament had to offer sacrifices to God in the Temple, and the High Priest could enter the Holy of Holies once year. We who live under the New Testament have direct access to God in the Holy of Holies any time day or night, through Jesus. God bless, David
