We are often asked by cashiers at the supermarket "so how's your day been"? Usually we answer with "good thanks". Sometimes we say this when our day isn't actually going too well! To ensure that your day goes the best possible way is to give it to the Lord before you even step foot out of bed in the morning. The least you could do is to thank God for all the blessings He has given you, and ask for His protection on you and your family through the coming day, or at the very least dedicate your day to God by saying "In the name of the Father, the Son, and the Holy Spirit."

God bless, David
