Sermon: "Not How but Why" Rev. David Smithson

Refreshments: Muriel Riddell

Last Sunday we had some of Trish's family down from Auckland to visit, and they attended our service. They remarked to me how wonderful you all are, and how friendly and welcome you made them feel. They said they loved the feeling of the church and parishioners so much that we may see a bit more of them from time to time ☺. It's always nice to have this feedback now and again, and reaffirms to us the love of God that we have for one another and for others. This Sunday we celebrate a core of Christianity – the Holy Trinity.

God bless, David.
