The "Virtual Vicar" In Touch: Easter Sunday

Jesus Is Lord

Good Friday is a time that we reflect on what Christ did on the cross – taking our sins upon himself, and paying the price for them with His life, for us. This Sunday – Easter Sunday – is the central foundation of our Christian faith – the day that Jesus the Christ rose from the dead, and the day that we celebrate the LIVING Christ. This is a day that we should confirm that Christ lives in us! On this holy day, I think that it's important that we ask ourselves "are we keeping Christ alive in our lives?" Galatians 2:20-21 says *"My old self has been crucified with Christ. It is no longer I who live, but Christ who lives in me. So I live in this earthly body, trusting in the Son of God, who loved me and gave himself for me, I am not one of those who treats Christ death as meaningless..."* God bless – David
