The "Virtual Vicar" In Touch

Jesus Is Lord

1 Thessalonians 5:18 reminds us to give thanks in all circumstances, and this lockdown period is no exception, as it has paused us from the busy rush of our lives, and given us a lot of time to reflect on what is important and not important, and moreover, has given ample time to listen and to pray to our heavenly Father. This is something that we can be truly thankful for. It is easier to hear and commune with God in the stillness, more so than busyness – 1 Kings 19:12 is an example, which we will look at in more depth in the Newsletter just out for May.

Keep praying for one another!

God bless you – David
