Homily: "The Lord will Provide" Rev. David Smithson

Refreshments: Katy Cockerton

This Sunday we will continue on our journey with the Israelites out from Egypt and towards the Promised Land. We have learnt about the Passover and the crossing of the Red Sea, and now we will look at how God provides for us, even though we may grumble!

To keep you all up to speed on where we are at with the Seismic Strengthening on our church building, we have recently requested the services of Rhys Rogers, a structural engineer whose first steps will be to provide a quote for the work that will need to be done to strengthen the structural weak points, and then begin the building consent process. Please keep this all in your prayers as we work our way through this new chapter of Saint Mary's Parish

God bless, David
