As we approach the general elections, we should do so prayerfully, and with our hearts and minds level with Gods Word and our Christian Faith – upholding sanctity of life, and clarity of mind as we also face the referendums of Euthanasia and Cannabis. A helpful tool in deciding this is the "Abortion, Euthanasia, Cannabis What Next?" brochure put out by Family First. In it there is an interesting up-to-date table that shows where each party supports/opposes these issues and more, and the results are surprising. Feel free to take a copy from the table in the foyer. God bless, David
