10am Palm Sunday Holy Communion Service

Homily: "Save us!" Rev. David Smithson

Refreshments: Parish Lunch @ Willowglen

This Sunday we look at the wonderful story of Jesus riding into Jerusalem. He was walking right into a pressure cooker, but he knew exactly what he was doing. The people wanted Jesus to transform the terrible political and military situation that they were in – but Jesus has another surprise way to transform situations – beginning with you!

After this morning's service we will hold the AGM, then off to Willowglen for a parish lunch. God bless, David
