10am Holy Communion Service

Homily: "Smashing Walls" Rev. David Smithson

Refreshments: Katy Cockerton

The mantra for society today that is being pressed upon us is "Diversity" yet despite the years of embracing diversity, we are told that we still have a huge gap in "equity" between gender and race etc. Where is the unity? Is diversity breaking down walls? Can humankind be unified? If so how? Many questions! Paul wrote Ephesians in prison, and he was there because he broke down walls of society of his day! Do we also have personal walls that we build brick by brick during our lives? What does Jesus do to all these walls? God bless, David
