The "Virtual Vicar" In Touch

Jesus Is Lord

Last Sunday's outdoor service was a great success, and was well attended. It was fantastic to meet up with people in person. This is the way forward under the current level, but as you are aware we stand on shifting sands as we don't know if and when levels will change. Another variable to holding outside services is of course the weather – and Sunday 14 is forecast for morning rain hence there won't be an outdoor service. Until levels change down, and we hold outdoor services, I will check the weather forecast each Friday - the day I have to prepare for a service - to ascertain if we can meet or not. As you know, weather forecasts are not always accurate! If a "virtual vicar" pew sheet is published, there is no service, if there is an "outdoor" service Pew Sheet published, it is all on ☺ As we currently have no roster, can you please email me if you are happy to do readings and/or prayers at short notice.

If people are wanting to help out St Marks Nawton, who are struggling financially, they would welcome a one off donation: BNZ 02 0316 0447722 09

May the Lord bless you and keep you. David

+ Prayer Points +

- For small & medium business owners
- For unity in NZ and that seeds of discord and division will not grow and take hold
- For St Mark's Nawton as they are in need of more finances.
