10am Holy Communion Service

Homily: "Fear Not" Rev David Smithson

Morning Tea: The Clark's

A few weeks ago I met a non-Christian who commented to me that he thought that we are living in "end times" which was an interesting comment to make for someone who does not know scripture or Christianity. The stage does appear to be set, and the current age is perplexing to say the least. What does scripture say about this? Should we be fearful? Let's have a look into this! ☺

God bless, David
