10am Holy Communion Service

Homily: "Dem Dry Bones" Rev David Smithson

Morning Tea: The Heaton's

This Sunday we delve into a fascinating vision that the Lord gave Ezekiel of a valley filled with dry bones. How can they ever come to life? How can the spiritually dead come to life? Can the Church be brought back to life? Bones cannot bring themselves back to life, Lazarus could not bring himself back to life. It is God who gives life and who breathes life.

God bless, David
