Homily: "An Attitude of Gratitude" Rev David Smithson

Morning Tea: Karen

New Zealand is a fantastic country to live in. We have so much—most than any other nation in the world, and yet we can be so unthankful. The greatest of gifts that we take for granted the most. Martin Luther once said that *"The greater God's gifts and works, the less they are regarded."* Remember two weeks ago the story of the Rich Man & Lazarus - Lazarus would have been more thankful for his morsel than the rich man for his overflowing table. The greatest gift of God we often overlook is none other than Jesus Christ...God bless, David
