10am 1662 Holy Communion Service Palm Sunday

Homily: "The Humble King" Rev David Smithson

Parish Lunch @ Matte Black

When we encounter Jesus and the Gospel, we know that we are dealing with something that is not of this world. Nothing else can radically change a person to a new creation nor can the experience of the presence of God compare to anything else. To follow Jesus in His church is not the same as being a member of an organization like Rotary or the football club. When we join an organization, we make a commitment to the goals and objectives of it, but we still have our own private lives that we live outside of the meetings and activities of the organization. Christianity is different. When we embrace Jesus as the way, the truth and the life, we are faced with the reality that Jesus encompasses our entire being. Following Jesus is a way of life.

On Palm Sunday, we come face to face with Jesus, so we also come face to face with the reality of how we are to live our lives each day.
